Subject: ACC isocyanate panels meeting request

Dear Tala and Lynn:

I believe Mike Walls wrote to you in October requesting a meeting on behalf of ACC's isocyanate panels regarding questions about SNURs issued on that chemistry. The panels are meeting in D.C. the first week of December and would prefer to meet with you on the afternoon of December 5, if that is possible. Alternatively, Monday afternoon, December 3, is a possibility as well. I am following up on that request to see if those dates are possible. Please let me know.

Thank you,

Christina Franz
